Re: PRA for Citizen Complaints and Use of Forces between 2009 and 2019

Alexander Cartwright and Jennifer Dirmeyer,

The Ventura County Sheriff's Office received your public records request dated June 24, 2019; the request referenced for August 22, 2017 was never received. As noted in your June 24, 2019 request the initial email used police@toaks.org is tagged as "error". Please update your system with valid correspondence information.

The City of Thousand Oaks contracts with the Ventura County Sheriff's Office for police services. The responsive information is for the entire jurisdiction of the Ventura County Sheriff's Office. The jurisdiction includes the cities of Camarillo, Fillmore, Moorpark, Ojai, and Thousand Oaks, and the unincorporated areas of Ventura County. Your June 24, 2019 requests along with our responses are listed below:

1. What is the total number of citizen complaints (allegations of misconduct) made against your department's officers annually for the last 10 years? If your department logs complaints in a database, spreadsheet, or other log, a copy of those logs is fine instead.

Please include the type of complaint (i.e., use of force, abuse language, unwarranted search) and the result of complaint (i.e., sustained, exonerated).

The retention schedule for citizen complaints and investigations is five years. Below are responsive records for years available. Complaint allegation information for the year 2016 is not electronically retrievable.
